

PACE Diversity and Inclusion Award

This award will recognize the individual in the PACE division that promotes diversity. This member will be proactive in finding ways to partner and lead by example efforts toward diversity in our division of PACE and our system of Career and Technical Education. Any projects that promote diversity will be encouraged with this award. The winner of this award will receive recognition plaque/trophy and scholarship of up to \$500 for professional development or activity that will continue to encourage diversity. Activity must be finished and submitted by March 1, 2018.

Please address the following criteria:

1. How does this individual's active involvement in professional and/or community organizations and/or business and industry demonstrate an exceptional understanding of diversity and inclusiveness to Business and Industry Services/PACE division?
2. How does this individual create leadership opportunities within Business & Industry Services/PACE division that promotes a diverse and inclusive culture?
3. How does this individual collaborate within their community to implement initiatives using diversity and inclusion?
4. How is this individual leaving a legacy through diversity and inclusion that can be replicated throughout our Business and Industry Services/PACE division?
5. Other comments.

Note: With this application, please email a photo of the person(s) being nominated to oklapace@gmail.com.
